**INTERVIEW SUMMARY**  
**SUBMITTED BY APPLICANT**

Dear Madam or Sir:

A telephonic interview was conducted between Examiner Oleg Survillo and the undersigned attorney of record for Applicant on or about October 28, 2008. Applicant hereby expresses appreciation to Examiner Survillo for his courtesy in conducting the subject interview, for his consideration of, and his open-mindedness toward, Applicant's position, and for taking time to communicate his own positions regarding the pending claims and objections.

In addition, Applicant requested that the Examiner hold his objection to the specification as containing subject matter outside the bounds of the claims in abeyance until the scope of allowable subject is defined. The Examiner appeared to be receptive to

this request, however, he indicated that he would need to confer with his Supervisory Patent Examiner after Applicant formally submitted this request in a written response before making a final determination.

Although agreement was not reached on the allowability of any specific claim language, Applicant believes that the telephonic interview was a productive step toward further discussions, and ultimately toward positive resolution of this application.

The Examiner is kindly invited to contact Dale Barr (360) 627-7147 with any questions or concerns regarding this Interview Summary, or regarding any issues that may advance prosecution of the application on the merits.

Respectfully submitted,
